## [FAQ – Report Start and End Options]

- Question  
How can I configure what **Report** starts with and how it resets after ending an exam?

- Answer

■ Path: Setup > Report > General

1. In **Operation section**:
  - Under **Start With**, choose from the dropdown: **Preview**, **Worksheet**, **Graph**, or **Comment**.
2. Under **End Exam with**, check **Reset by default settings** if you want the report to reset automatically.

- ☑ **Reset by default settings** and **Visible Status by Items** are linked.
  - Checking or unchecking one will automatically apply the same state to the other.
